You are hereby summoned to attend a Meeting of Chillerton & Gatcombe Parish Council to be held at **6.30pm on Tuesday 7th July 2026 at The Village Hall, Hollow Lane, Chillerton** to consider the following matters set out in the Agenda.

Virgil Philpott
Parish Clerk

MEETING AGENDA

1. PUBLIC QUESTION TIME

To receive and consider questions submitted by members of the public (maximum 15 minutes).
Two written questions have been submitted in advance, as follows:

a. *“For people living up the top end of the village the phonline BT broadband speed is unreliable and slow. Please can you submit a formal question to Wightfibre as to when they will install in Chillerton? It was planned for last year but it did not happen. People are tending to use starlink or mobile phone but these are much more expensive. Please could you ask if there are any other plans to improve the broadband speed in the village?”*

b. *“Chillerton village has a groups of enthusiastic residents who assist in the maintenance of public areas such as the green. Each year, there is need to clear the Chillerton Brook of plant overgrowth. In the past residents have shared the removal of rubbish and vegetation for composting or onward disposal in private rubbish collections. This year, the quantity of green growth has been overwhelming. I have taken one car-load of noxious weeds to Lynnbottom and many trailers of greenery for composting. One resident even helped by removing buckets of waste with a tractor. There remains a fair quantity of decaying greenery beside the stream that I cannot manage. Would the parish council consider allocating resources in future years for a single collection of green waste from the Brook Lane ford by county council waste services?”*
