

CHAIRMANS AGM REPORT OCTOBER 29th 2020
Of the Chillerton and Gatcombe community association

For period Sept 2019-Oct 2020

My report this year will be limited owing to Pandemic Covid19 which has resulted in a limited Village Hall usage and closure of the reading room from march 2020.

In spite of this we had a very successful Beer and Buses event in Oct 2019 and a successful Christmas event and New Years Eve in Dec 2019.

Nigel Phillips our treasurer during this lock down period has successfully applied for grants which has allowed us to do much need repairs to the Village Hall Gable walls and to do some refurbishment to the Reading Room/Galleybagger and maintain funds to cover the basic costs for the two buildings

As I say every year we are still needing new blood to take over the running of the association as us oldies fall by the wayside. Please consider if you wish for the Village Hall and Reading Room to continue.

P.E. C. Wells

Chairman

Dated 29th October 2020
