

Gallybagger Covid-19 recommendations

Since July 19th 21 all government legal restrictions have been replaced by recommendations to try to minimise the spread of Covid-19 and keep everyone safe.

We Recommend

- external doors and windows to be left open for ventilation and the bar extractor fan to be running
- wear a mask when ordering at the bar ,using the toilets and moving around inside the building (we have free disposable ones available please ask)
- ensure you wash your hands after using the toilet using the antibacterial soap and disposable paper towel provided
- space seats out as much as possible between people you don't normally mix with
- use outside seating if the weather permits

We politely request that people do not stand at the bar drinking

We will provide

- table service if you require it
- servers to tables wearing a face covering if required
- hand antibacterial gel in hall dispenser and additional hygiene products for cleaning hands and furniture at you table if required
- sanitising of the venue before opening
- hourly cleaning of touch points such as door handles and taps
- QR codes to register your visit if you wish
