

# Chillerton & Gatcombe Community Association

**Minutes of the Committee Meeting held at  
7pm on Sunday January 17th via Zoom**

Purpose of the meeting – to discuss and agree changes to the Gallybagger bar area to include a new back bar unit and to relocate the ‘wash-up’ area.

**Present-** Peter Whiteman, Ian Poulter, Nigel Phillips, Gill Phillips, Nicki Harrington, Marcus Baker and Jill Webster.

After detailed discussion on the proposed changes, it was agreed by all that –

- The changes should be made and before the new carpet is laid (January 28<sup>th</sup>) to avoid mess and damage to that.
- The existing ‘wash-up’ area to be gutted. (PW to action this)
- Source new back bar unit (GP to action this). It was noted that those with sliding doors are considerably more expensive than those with hinged doors.
- Arrange for required changes to pipework and electrics to be carried out. (PW to action this).
- Have new unit fitted.
- Arrange for clearing of the existing storage area and arrange for the necessary pipework and sink to be re-fitted in that area. (PW to action this)

## Any Other Business

- The windows will be cleaned thoroughly, and new curtains will be hung as soon as possible. (GP to action this)
- The new heater which is positioned near to the door will require new wiring to it as there has been rodent-damage to the existing wiring. (PW to action this)
- It was agreed that repairs to the roof should go ahead whether the insurance company pays out or not. (NP to contact Bradings and ask for a detailed and itemized bill split between the roof and the interior)

**Signed..... (Chair)**
