This has been poorly attended for the last 2 meets. Gill contacted Debbie from folk on wight to see if there was a problem and if we could do anything. 6. Bar Rota and Opening times

Opening times still under review. Nigel said its important people turn up on time to open up as if they don't people either ring or turn up on Nigel and Gills doorstep which can be inconvenient if they are

having their evening meal. Also, if people arrive and there's no one there they may not come again as they won't be sure it's open. Opening times are Thursday Folk Club 7pm. Quite a few local business and organisations are signed up to the scheme. We will get stickers to go in the window and leaflets about it. Volunteers will also get offered some free training if they want it focussing about safeguarding issues and mate crime.

This is where vulnerable and disabled people can come in and ask for help and have a safe place to stay until someone who has been called and is known to them arrives. They will likely have a card with who to contact on them. Agreed Gill would fill in the application form **ACTION GP**
